

**TRIMESTER 2
BENCHMARK**

REVIEW 1

Trimester 2 Benchmark Topics

Functions

- **Functions and relations**
- **Comparing Functions**
- **Analyzing function graphs**

Linear Equations and Graphing

- **Slope**
- **Graphing linear equations by slope-intercept form**
- **Graphing linear equations by standard form**
- **Graphing linear equations by point-slope form**

Special pairs of angles

- **Adjacent and Vertical Angles**
- **Complementary and Supplementary Angles**

Trimester 2 Benchmark Topics

Special pairs of angles

- Adjacent and Vertical Angles
- Complementary and Supplementary Angles

Triangles

- Types of triangles
- Constructing triangles
- Sum of angles within a triangle
- Pythagorean theorem and its converse

Quadrilaterals

- Types of quadrilaterals
- Constructing quadrilaterals
- Sum of angles within a quadrilaterals
